

New Puzzle!

A new 1000 piece puzzle issued by the White Mountain Puzzle Co. (Jackson New Hampshire) called "Favorite Snacks" has several images of Mr. Peanut on it. In the lower left is the newer style rolled plastic parade costume. In the lower center is the new fantasy enamel wall plaque featuring a vintage image of Mr. Peanut (see Peanut Papers Sept/Oct 2017 page 13). I'm not exactly sure what the item in the upper right hand corner is! You can purchase a puzzle on Amazon for \$16.95 apiece (shipping is free with Prime membership).
